### Notice of filing a

### MOTION TO INTERVENE

I am an EPCOR Water company ratepayer and respectfully request to intervene in this rate case. I intervened in the prior rate case (Docket No. W-03103A-08-0227).

My primary interest involves the determination of a composite rate structure that would comply with Decision and Order No. 70140 that requires this case to include a composite rate structure for all EPCOR water and wastewater service areas. A composite rate structure would comply with the Arizona Constitution Article XV, Section 12.

Due to being out of state on travel for several months, I will only be able to communicate by e-mail.

This filing been mailed to all known parties on the Service List.

RESPECTFULLY SUBMITTED on this 25<sup>th</sup> day of April 2014.
